DETAILED ACTION

Remark

1. Claims 1-10, 21-26, and 33 are pending for reconsideration.

Response to Appeal Brief and Arguments

2. Applicant's arguments, see the (second) Appeal brief, filed 02/09/2007, with respect to claims 1-10, 21-26 and 33 have been fully considered and are persuasive. The rejection of previous non-final office action after the first appeal brief has been withdrawn.

Allowable Subject Matter

3. Claims 1-10, 21-26, and 33 have been allowed.

Reasons for Allowance

4. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 21, and 33, the prior art of record issued to Knowles, August and Makhlouf either alone or combine fails to teach or suggest a menu which allows the user to choose or select a location for displaying the caller identification, or another words, the caller ID display is a user-selectable option. Knowles shows a caller ID set up screen to turn it on or off on the TV device; and August teaches the caller ID can be displaying either on the TV or on the handset; however, August does not teach to provide a menu for the user to select which location is for displaying the caller ID.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
